

MEETING MINUTES 10/17

HMWK:

- BRING reusable cups/bowls/plates/utensils (especially serving pieces) to next GCI meeting
- BRAINSTORM BARTLETT disposable cup PROBLEM (ask your friends what they think!!!)
- Recruit your male friends (GCI is entirely female, except for Dan)

PRINTER CARTRIDGES

Results so-so. Will discuss at Sus Council

SOIL-TESTING PROCEDURE

Machine in Hines, David Archer says it doesn't work. From initial research it looks like soil testing will be unfeasible.

AN INCONVENIENT TRUTH NOV. 17th and 19TH

GCI will co-sponsor, there will be a question and answer session before the screening (or after?) not quite sure, check for an email.

COMPUTER ENERGY EFFICIENCY--DEAN ARMSTRONG EMAIL

PC systems specialist for libraries wants to talk about computer energy efficiency. Will meet with Dan next week.

C3 PROJECT (CITY OF CHICAGO GRANT FOR COMMUNITY PROJECT) Ali Nemirow \$500 for environmental service project in community. GCI will apply for money to improve our native plant garden, which can act as a showcase for native plants for the community.

CITY OF CHICAGO MEETING, Thursday, Oct. 26

Brainstorm agenda. Ali will send out a preliminary agenda.

CAMPUS DINING

How do make our eating habits more sustainable? Reduce food waste?

WIN A NOBEL PRIZE

disposable cups in Bartlett...how to get rid of them? because they serve things a la carte, problematic. also, people steal. bring your ideas for next meeting!!!! dan will be awarding the prize.

BATTERIES

Christina Melander is the point-person.

CAPS meeting with ENVIRONMENTAL CLUBS

Max Brooks is VERY interested in coming to one of our meetings, 6 or 7th week. Stay tuned.

NATIVE PLANTS GARDEN

Work day coming soon. If interested email sheenav@uchicago.edu.

Thanks!

Kate
